EMPLOYMENT SUPPLEMENTAL AGREEMENT

This Supplemental Agreement sets forth additional terms governing Employee engagement with TechCorp Inc.

Clause 1. Position and General Duties

Employee shall perform software architecture and technical engineering duties in accordance with company standards.

Clause 2. Mandatory Service Bond

Employee must execute a mandatory 3-year service bond and agrees that leaving for any reason prior to 36 months requires an immediate forfeiture of 1,000,000 as liquidated damages without proof of training cost.

Clause 3. Intellectual Property Assignment

Employee irrevocably assigns to Company all inventions, ideas, concepts, patents, writings, and creations developed at any time in life, including outside work hours, on personal devices, or after termination without compensation.

Clause 4. Unilateral Notice and Garden Leave

Employer may terminate Employee instantly with zero notice or severance, whereas Employee is bound to serve a mandatory 180-day notice period and Company may place Employee on unpaid garden leave for up to 12 months at Company sole discretion.
