STANDARD BALANCED EMPLOYMENT AGREEMENT

This Employment Agreement is entered into on 1st October 2026, between Horizon Innovations Ltd (Company) and the Professional (Employee).

Clause 1. Role and Compensation

The Employee is appointed as Software Engineer at a mutually agreed salary of INR 85,000 per month, subject to standard statutory deductions.

Clause 2. Confidentiality

The Employee agrees to maintain the confidentiality of the Company's proprietary technical information during the course of employment.

Clause 3. Mutual Notice Period

Either the Company or the Employee may terminate this employment by providing thirty (30) days' written notice, or payment of base salary in lieu thereof.

Clause 4. Post-Employment Conduct

Following separation, the Employee agrees not to solicit existing customers of the Company for six (6) months. This agreement does not restrict the Employee from pursuing lawful employment in their profession with any other employer.

Clause 5. Dispute Resolution

Any contractual disagreement shall be addressed through internal human resources conciliation, and thereafter subject to the jurisdiction of the civil courts of competent jurisdiction.
