# COMMERCIAL LOAN AND CREDIT FACILITY AGREEMENT

This Loan Agreement is executed on 10th October 2026, by and between Capital Growth Lending Services (hereinafter 'Lender') and the Borrower.

**Clause 1. Principal Amount and Drawdown**

The Lender agrees to extend a term loan facility of INR 1,500,000 to the Borrower for business expansion and capital equipment.

**Clause 2. Compound Penal and Default Interest**

If any scheduled installment or interest payment remains unpaid for more than twenty-four (24) hours following its due date, a compound penal interest rate of 36% per annum shall be applied retroactively to the entire original principal facility sum from the date of initial disbursement until complete settlement.

**Clause 3. Immediate Loan Acceleration Without Cure**

Upon the occurrence of any technical breach or delay, the Lender shall have the unconditional right to declare all future unmatured principal and interest immediately accelerated, due, and payable in full without providing any prior cure period, formal demand, or legal notice.

**Clause 4. Foreclosure and Prepayment Penalty**

The Borrower shall not prepay, foreclose, or refinance the outstanding loan prior to scheduled maturity without paying an mandatory exit penalty of 12% of the original sanctioned loan facility, in addition to all unaccrued interest projected through the full original tenure.

**Clause 5. Unilateral Interest Rate Adjustment**

The Lender reserves the sole, unilateral, and unreviewable authority to increase or alter the interest rate at any time at its discretion, without benchmark linkage or advance notification, and the Borrower waives all rights to contest or challenge any revised repayment schedule.

**Clause 6. Unlimited Continuing Guarantor Liability**

The Guarantor undertakes an unlimited, irrevocable, and continuing personal guarantee for all present and future obligations of the Borrower, authorizing the Lender to seize, attach, and liquidate the personal and family assets of the Guarantor immediately upon default without first initiating recovery proceedings against the primary Borrower.
